

October 18, 2025: On the Positions 'Above'

The positions 'above' are those positions that are:

6) Transcending and changing into the next form
of being led by heaven and yielding heaven on earth;

5) Mastering the way of the particular circumstance
of being led by heaven and yielding heaven on earth; and

4) Being of great influence to the way of the particular circumstance
of being led by heaven and yielding heaven on earth.

If each of these three positions are occupied by personalities that are firm, unreceptive, and without enlightenment, then the way of being led by heaven and yielding heaven on earth is clogged and has no way of spreading to others.

If each of those three positions are occupied by personalities that are receptive and enlightened, then the way of being led by heaven and yielding heaven on earth is freely flowing into the world.

I want to take a break now from this work and will return sometime later - perhaps a lot later.

Our world is simply way too far behind to receive any of this information in any meaningful way.
